Dear Roy and Steve

**Re: 'Woodside', Woodham Lane, New Haw, Surrey**

On behalf of Runnymede Homes I would like to say thank you to you, your company and especially your team of dedicated tradesmen who have worked on our development at 'Woodside', New Haw.

The project is nearing completion and has been a great success. Only 11 weeks since opening the show home all 15 of the houses have been reserved. Many local people and prospective purchasers have commented on the high quality of finish and attention to detail, which is clearly visible when visiting the development.

Even with a bitterly cold winter and prolonged periods of snow, the inter trade co-operation from ground worker thru to decorator has all helped to make this project a memorable and successful development for all involved to be proud of.

None of this would have been possible had it not been for the patience, expertise, professionalism and co-operation of your company's team of skilled personnel. We kindly ask you, to pass on our thanks and gratitude to all those involved in achieving the exacting standards and quality of build we at Runnymede Homes strive for.

The team at Runnymede Homes look forward to working with your company again on future projects and once again say a **'BIG THANK YOU'** to everyone involved.

Yours sincerely
